

### **Agape Training Service**

**Training - Agape Healthcare Ltd is an accredited centre offering Adult Health and Social Courses. Our courses are a combination of theoretical knowledge and practical sessions that are designed to develop your ability and confidence to work in any care setting.**

**The care certificate is designed for new care staff, it is also offering opportunity for existing care staff, service users and their families to refresh or improve their knowledge. The care certificate was developed jointly by Skills for Care, Health Education England and Skills for Health. It replaces Common Induction Standards.**

**At Agape we maintain safety by ensuring that all staff have the credentials to facilitate the role to a high standard. We offer an extensive training package which allows all staff to be well informed and confident in working independently. Regular supervision, shadowing and one to one support is also available.**
